

Start

```
graph TD; Start([Start]) --> CHx[CHx]; CHx --> Stop([Stop]);
```

A flowchart with three nodes. The first node is an oval labeled 'Start'. A thick black arrow points down from 'Start' to a second node, which is a blue rectangle labeled 'CHx' in white text. Another thick black arrow points down from 'CHx' to a third node, which is an oval labeled 'Stop'.

CHx

Stop
